A Traditional Folktale

The story line of Clever Bouki originates from a West African folktale. It describes two main characters - Malice and Bouki. Bouki is the foolish villain known for losing at everything and Malice is the complete opposite. He is the smart fellow known for being a trickster and always winning. This time however, the characters switch roles and Bouki turns out to be more clever than expected.

Clever Bouki is a great story to share among families and all cultures.

About the Author

Author Nekita Lamour is a native of Haiti. As a family oriented person, she grew up listening to stories told by her parents, grandparents as well as other extended family members.

As an educator, story telling became part of her teaching curriculum. She has also been invited to tell stories at various cultural events in Boston, Florida, and Connecticut.

Ms. Lamour is a UMASS Boston graduate with a Master's in Education. She also holds a Master's in Theological Studies from the Weston Jesuit School of Theology.

She is a writer and essayist whose published articles have appeared in institutions' magazines such as Lesley University (formerly Lesley College), The Harvard Teachers' Network, a publication of the Harvard Graduate School of Education. Her columns have also been featured in several newspapers in the Boston area.

Ms. Lamour is a passionate author and educator who loves culture and history.
